Studies and other practicalities for exchange students 28.8.2019

- Course selection and enrolments
- Learning agreements
- Other forms and formalities
- Insurance
- Study options at LUT after the exchange period

Course Descriptions

- ❑ Study Guide “Courses for Exchange Students 2019 -20”
- ❑ Language courses
- ❑ You can select courses from other fields of studies, too, if you meet the prerequisites (i.e. have basic or even advanced knowledge on a subject). Please check the course descriptions!

ECTS CREDITS

- ❑ **30 ECTS credits** during one semester
(Min 20 cr unless your home university has instructed otherwise)
- ❑ 1 ECTS cr = workload of 26 hours
- ❑ Including lectures, exercises, case studies, term paper, assignments etc. and exam

Choosing Study Courses

- ❑ Courses already in your Learning agreement- > **registration in Weboodi is required.** Your tutors will help you with the registrations.
- ❑ **Possible changes – check the course descriptions and especially prerequisites**
- ❑ Ask from your home university if they recommend another course – **no academic counselling at LUT**
- ❑ You can choose from the courses that are listed in study guide **Courses for Exchange Students 2019-20** (Autumn semester: periods 1 and 2)
- ❑ If you are Bachelor level business or industrial engineering and management student, **choose Bachelor level courses.**
- ❑ **Note! Number of students is limited in all Master level courses so the admittance is not guaranteed.** Teacher of the course makes the final decision and you get an e-mail to confirm or decline your acceptance. **Priority is given to degree students.**

Learning Agreement LA (Erasmus+, non-Erasmus)

- ❑ Learning agreement is *not a course enrolment!*
- ❑ All courses (even from different fields of studies) must be in the same LA
- ❑ **After the registration for the 2nd period courses has been confirmed bring your updated learning agreement for me to be signed, if your home university requires that.**
- ❑ Learning Agreement has to be modified in Mobility-Online after you have enrolled to all the study courses (including also 2nd period)

- ❑ **NO HURRY FROM LUT SIDE**

Other documents and formalities

- ❑ Certificate of Arrival=Letter of confirmation (27.8.2019 - >). Ask the signature from Student Services front desk.
- ❑ Erasmus form(s) from home university
- ❑ Study period begins at the earliest from the Orientation Day and ends at latest on the last day of semester (20.12.2019)

Study transcript

- ❑ Usually it takes approx. 2 months after your final exam/assignment to complete the transcript of records.
- ❑ Transcripts will be sent to you as pdf **by email**
- ❑ Only passed courses will be printed in the transcript
- ❑ **Check and update your contact information in Mobility Online**

Insurance

- ❑ Students **MUST HAVE HEALTH INSURANCE** to cover the costs of acute illnesses and accidents while studying at LUT
- ❑ European Health Insurance Card (EHIC) is sufficient (EU) - > Private insurance is recommended. EHIC Cards are issued by your national health insurance provider.
- ❑ non-EU/EEA students - > Private insurance is required
- ❑ On weekends EKSOTE (South Karelia Social and Health Care District)
- ❑ On Finnish student health service centre on campus (FSHS/YTHS) insurance is not needed but you need to show a LUT student card (or a receipt of the payment if the card has not yet arrived)
- ❑ **112** emergency telephone number

Citizens of EU/EEA countries register your residence

- When your study period exceeds 3 months, you are required to register your residence in Finnish Immigration Service. A valid passport or national ID is required.
- Ask also to be registered in the Finnish Population Information System. By doing so, you will receive a Finnish personal identity code, which will make your life in Finland easier.
