Show schedule (4)

1. Choose your courses to be shown in TimeEdit calendar. Show schedule and select Customize → Filter from the top right of the page.

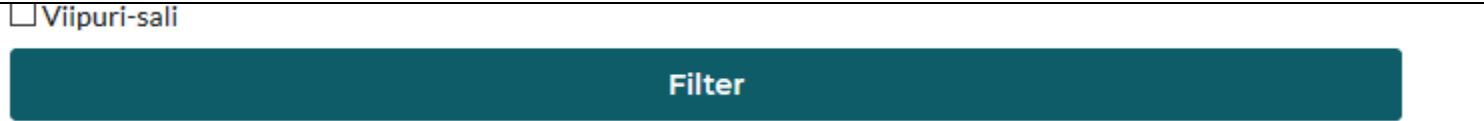

2. To see only the wanted small groups select only the wanted LUT small groups and ALWAYS small group: *

NOTE. When using 'Filter', always select LUT small group * for the filtering to succeed. If other than LUT small groups is selected, filtering does not work properly.

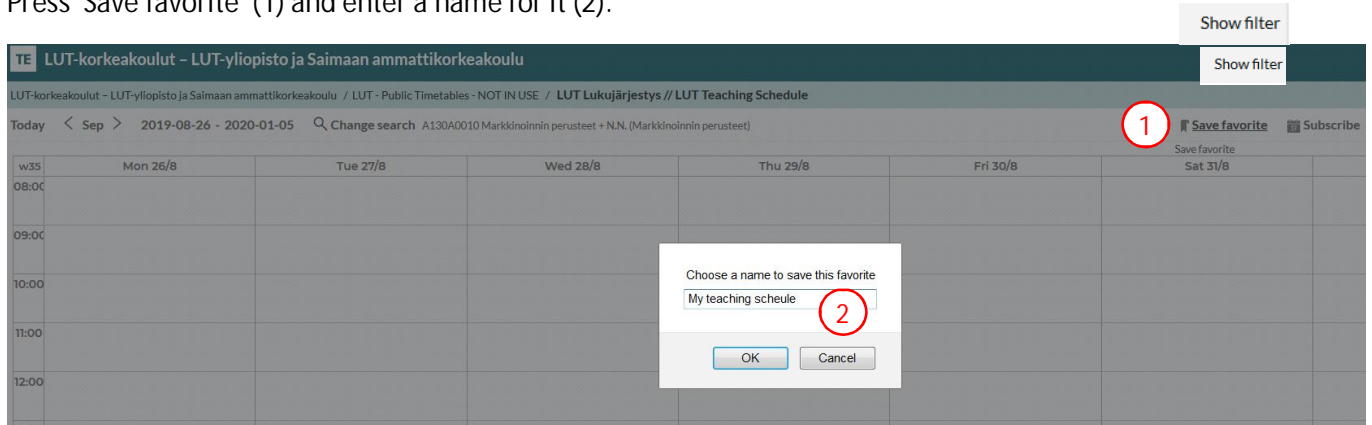

3. Press Filter

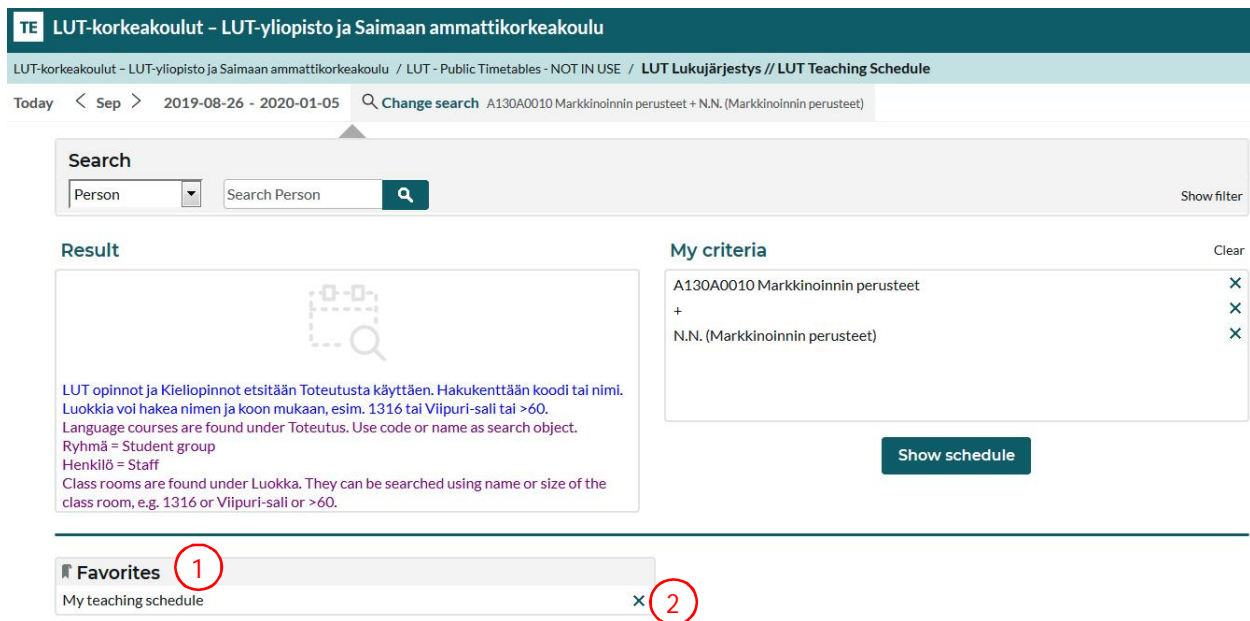

By saving the schedule, you can return later to the same outline and search criteria. You can save as many versions as you wish.

Press 'Save favorite' (1) and enter a name for it (2).

All your saved schedules can be found on the front page of LUT Lukujärjestys // LUT Teaching Schedule under the section 'Favorites' (1). Press **x** to deleted saved items (2).

A. TimeEdit

1. Choose a time schedule by courses as described in instructions.
