

Short instructions for timetable embedded in web browser

Please note!

These web browser timetables have only courses with contact teaching. Course descriptions in study guides have information if course is online (without contact teaching).

There is visiting lecturers in some courses. Room booking for these can be done when visiting time is turn out. Only after that information can be found from web browser timetable.

LUT School of Business and Management have some courses which course code begins with letters LM. Use Search field to find timetable for these courses.

Timetable has three parts: Course, Location ja Staff. Choose one with green function buttons.

- Course: you can get timetable of a course.
- Location: you can get booking information of a lecture room.
- Staff: you can get timetable of a teacher.

All parts have these search options and functions:

- Week(s) > Choose some period(s) or intensive / calendar week (default option is 'This week').
- Select Days > Choose either Monday-Friday or Monday-Sunday.
- Times > Choose either 8-19 or 8-22.
- Style > Choose traditional timetable (Calendar view, horizontal or vertical), for many courses (Combined view) or information by day of the week (Week overview).
- Click button 'View timetable' to show timetable.
- Click button 'Reset' to clear all search options.

There are also some search options for each part.

- Part Course
 - Department > Outline search to chosen department / degree programme.
 - Search > Outline search with course code or course name, or with part of these.
NOTE! Use search option 'LM' to get timetable for courses beginning with letters LM.
 - Course(s) > You can choose 1-150 course(s) of which timetable(s) you want to see. If no course is chosen, you'll get timetable for the course first in the list.
- Part Location
 - Search > Outline search with name of the lecture room or part of it. You can also use words computer lab or auditorium for search.
 - Location(s) > You can choose 1-25 lecture room(s) of which booking information you want to see. If you don't choose any room, you'll get booking information for the room first in the list.
Note: Locations with letters ML in the name are computer labs.
- Part Staff
 - Department > Outline search to chosen department / degree programme.
 - Search > Outline search with name of the person, or with part of it.
 - Staff Member(s) > You can choose 1-25 teacher(s) of which timetable(s) you want to see. If you don't choose any name, you'll get timetable for the teacher first in the list.
