

Master's Theses: Electronic assessment and publication

Confidential theses - all communication by e-mail @lut.fi
(except for external examiners)

Open your mind. LUT.
Lappeenranta University of Technology

Student	LUT Student Services	First Examiner	Dean	Library
Applies for publishing permission from the first examiner (attachment: completed thesis manuscript/pdf).		Grants publishing permission or gives the main points of critique.		
Uploads the unassessed, confidential thesis and the public abstracts to LUTPub after s/he has received publishing permission. Saves embargo. Receives a URN for the thesis.				Provides a URN for the thesis within a max of three working days.
Applies for assessment of the thesis by submitting form 1B including the public abstracts, confidentiality notification and completed thesis/pdf to the faculty study services.	Fact-checks form 1B. Requests a statement from the examiners (or from the first examiner, if the second examiner is not known to study services), completed thesis/pdf as an attachment.	Obtains the second examiner if not done beforehand. The examiners provide a statement and propose a grade for the thesis. On the statement form, the first examiner approves the abstract as a maturity test.		
	Prepares the list of assessment for the dean. The confidential theses may be viewed at the faculty study services. Informs the student and the library and registers the grades to Oodi.		Assessment and approval of the thesis.
