

INTERNATIONAL EXCHANGE – VACANCIES SPRING SEMESTER 2021

(U =Bachelor, P =Master)

NB! If the course offer of exchange university suits to your personal study plan, you can choose it, even if it is not meant to your field of studies.

If not mentioned that the language of instruction is English, you need a language certificate to universities which teach in German, French or Spanish, minimum level B1/B2 recommended.

Albania

European University of Tirana

Language of instruction / English

Places: Business Administration 3 U/P –places

Austria

Fachhochschule Vorarlberg GmbH

Language of instruction / English

Places:

Computer Science / 2 U -places / academic semester

Business Administration / 2 U -places / academic semester

Technische Universität Graz

Language of instruction / English and German

Places: Physics 1 U/P -places / academic year

Belgium

Université Catholique de Louvain

Language of instruction / English

Places: Business Administration / 1 P -places / academic semester

University of Antwerp

Language of instruction / English

Places: Mechanical Engineering 2 U/P/D -places / academic year

HEC Management School, University of Liège

Language of instruction / English

Places: Business Administration / 1 U/P -place / academic year

Czech Republic

Brno University of Technology

Language of instruction / English

Places: Computer Science 2 P/D -places / academic year

University of Economics, Prague

Business Administration 1 U/P place, academic semester (spring)

University of Chemistry and Technology, Prague

Language of instruction / English

Places: Chemical Engineering 2 U / P -places / academic year

Univerzita Paleckého v Olomouci

Language of instruction / English

Places: Business Administration & Mathematics / 1 P/D-place / academic semester

Technical University of Ostrava

Language of instruction / English

Places: Mechanical Engineering 1 P places / academic year

Croatia

University of Rijeka

Language of instruction / English

Places: Engineering students 2 U/P places / academic semester

University of Zagreb, Faculty of Economics and Business

Language of instruction / English

Places: Business Administration / 2 U/P -places / academic semester

Estonia

Tallinn University of Technology

Language of instruction / English

Places: Business Administration / Engineering students 2 U/P places / academic semester

Estonian Business School

Language of instruction / English

Places: Business Administration 2 U/P / academic semester

France

Ecole d'Ingénieurs en Génie des Systèmes Industriels (EIGSI)

Language of instruction / English

Places: Engineering students 2 P-places / academic year

ECE PARIS - Graduate School of Engineering

Language of instruction / English

Places: Engineering students 2 U/P -places / academic year

IMT Atlantique

Language of instruction / English

Places:

Energy Technology 2 P/D -places / academic semester

Nuclear energy 2 P/D -places / academic semester

Université de Technologie de Compiègne

Language of instruction / English and French

Places:

Industrial Engineering and Management 2 U/P/D places / academic year

Mechanical Engineering 2 U/P/D -places / academic year

Institut National Polytechnique de Grenoble (INPG)

Language of instruction / English and French

Places:

Energy Technology (nuclear technology) 1 U/P / academic semester

Industrial Engineering 2 U/P -places / academic semester

INSA Lyon

Language of instruction / English and French

Places:

Energy Technology 1 U/P -places / academic year

Mechanical Engineering 2 U/P -places / academic year

Electrical Engineering 2 U -places / academic year

Computer Science 1 U/P -places / academic year

ESSCA d'Angers, Englanninkielinen opetus

Language of instruction / English

Angers Campus

Internat. Semester in Budapest Campus

Places: Business Administration 4 U/P -places / academic semester

Ecole de Management de Normandie

Language of instruction / English

Places: Business Administration 2 U/P -places /academic semester

Ecole des Métiers de l'Environnement

Language of instruction / English

Environmental Technology: 2 U/P -places / academic year

Burgundy School of Business

Language of instruction / English

Places: Business Administration 4 P -places / academic semester

Germany

Universität Hamburg/Wiso Fakultät

Language of instruction / German, English in some Master level courses

Places: Business Administration 4 U/P places / academic year

RWTH Aachen

Language of Instruction / German and English

Places: Energy Technology / Mechanical Engineering / Electrical Engineering 2 U/P places / academic year

Hamburg University of Technology

Language of instruction / German, English

Places: Business Administration / Industrial Engineering and Management 2 U/P - place / academic year

Otto-Friedrich-Universität Bamberg

Language of Instruction / German and English

Places: Business Administration 2 U/P/D -places/ academic year

Hochschule München

Language of instruction / German and English

Places: Engineering students (excluding Industrial Engineering and Management) 2 U places / academic year

TU Bergakademie Freiberg

Language of instruction / German and English in MBA-programs "International Management of Resources and Environment" and "International Business in Developing and Emerging Markets"

Places: Business Administration & Industrial Engineering and Management 2 U/P / academic semester

Chemical Engineering 2 U/P/D -places / academic semester

Otto-von-Guericke University Magdeburg

Language of instruction / English and German

Places: Engineering students 1 U/P places / academic year

Business Administration 1 U/P places / academic semester

University of Bremen

Language of Instruction / German and English

Places: Business Administration 2 U/P places / academic semester

Computer Science 2 U/P places / academic year

Technische Universität München

Language of instruction / German and English

Places: Computer Science 2 U places / academic year

Mechanical Engineering 2 P places / academic semester

Technische Universität Darmstadt

Language of instruction / German and English

Places:

Business Administration / Industrial Engineering and Management 2 U/P/D places / academic semester

Mechanical Engineering 1 U/P/D place / academic year

Technische Universität Kaiserslautern

Language of instruction / German and English

Places: Mechanical Engineering 2 U/ P places / academic year

Universität Augsburg

Language of Instruction / German and English

Places: Engineering students 1 U/P -places / academic year

Universität Paderborn

Language of instruction / English and German

Places:

Business Administration / Industrial Engineering and Management 4 U places / academic semester

Business Administration 1 P place / academic semester

Friedrich-Alexander-Universität Erlangen-Nürnberg

Language of instruction / German (and English)

Places:

Industrial Engineering and Management 2 U/P -places / academic semester

Mechanical Engineering/Engineering students 2 U/P -places / academic semester

Greece

Ikonomiko Panepistimio Athinon - Athens University of Economics and Business

Language of instruction / English

Places: Business Administration 2 U/P places / academic semester

Hungary

Budapest University of Technology and Economics

Language of instruction / English

Places:

Mechanical Engineering 2 U/P places / academic semester

Chemical Engineering 2 U/P places / academic semester

University of Debrecen

Language of instruction / English

Places:

Mechanical Engineering 2 U/P places / academic semester

Environmental Engineering / Energy Technology 1 U/P places / academic year

Engineering students 2 U/P places / academic year

Italy

University of Palermo

Language of instruction / Italian and English

Business Administration 1 U/P place, academic semester

University of Trento

Language of instruction / English

Places: Business Administration 1 P/D / academic year

Università degli Studi di Padova

Language of instruction / English

Places: Environmental Engineering 2 P / academic semester

Latvia

Riga Technical University

Language of instruction / English

Places: Business Administration 2 U/P places / academic semester

Students of Engineering 2 U/P places / academic semester

Liechtenstein

University of Liechtenstein

Language of instruction / English

Places: Business Administration 1 U/P places / academic year

Lithuania

Kaunas University of Technology

Language of instruction / English

Places:

Mechanical Engineering 2 U- places / academic semester

Environmental Engineering 2 P/D places / academic semester

Vilnius Gediminas Technical University

Language of instruction / English

Places: Business Administration 2 U/P places / academic semester

Vilnius University

Language of instruction / English

Places: Computer Science 2 U/P/D -places / academic semester

Netherlands

Eindhoven University of Technology

Language of instruction / English

Places: Industrial Engineering and Management 3 U/P -places / academic semester

Poland

Warsaw University of Technology

Language of instruction / English

Places: Mechanical Engineering 2 U/P -places / academic semester

Warsaw School of Economics

Language of instruction / English

Places:

Business Administration 2 U/P places / academic year

Warsaw University, Faculty of Management

Language of instruction / English

Places:

Business Administration 1 U/P -place / academic year

Technical University of Lodz

Language of instruction / English

Places: Engineering students 2 P/D places / academic year

Business Administration 2 U/P places / academic semester

Portugal**Técnico Lisboa / Universidade de Lisboa**

Language of instruction / English

Places:

Chemical engineering 2 P -places / academic year

Mechanical engineering 2 P -places for academic year

Universidade Nova de Lisboa

Language of instruction / Portuguese and some courses in English

Places: Mechanical engineering 1 P place/ academic semester

Russia**St. Petersburg State University, School of Management**

Language of instruction / English

Places: Business Administration 2 U/P places / academic semester

Peter the Great Saint Petersburg Polytechnic University

Language of instruction / English

Business Administration 1 U place

International business semester/spring term

St. Petersburg State University of Economics / UNECON

Russian language studies and Business studies in English

Places: Business Administration & Engineering 1 U place

Tomsk Polytechnic University

Language of instruction / English

Places: Business Administration & Engineering 1 U/P place

Slovakia

University of Economics in Bratislava

Language of instruction / English

Places: Business Administration 1 U/P places / academic semester

University of Zilina

Language of instruction / English

Places: Engineering students 2 P/D -places / academic semester

Spain

Universidad Politécnica de Valencia / Escuela Superior de Alcoy

Language of instruction / Spanish and English

Places: Business Administration 1 U/P -places/ academic year

Engineering 2 U/P -places / academic year

Universidad Rey Juan Carlos, Madrid

Language of instruction / Spanish and English

Energy Technology / Electrical Engineering 2 U/P- places / academic year

Universidad Complutense de Madrid

Language of instruction / Spanish (English in some Master level courses)

Places:

Business administration 2 U/P -places / academic semester 1

Universitat Rovira i Virgili

Language of instruction / Spanish and English

Places: Chemical Engineering 1 U/P/D -places / academic year

Switzerland

HTW Chur University of Applied Sciences

Language of instruction German in "Management" and English in "Tourism"

Places: Business Administration 1 U place / academic semester

2 P places / academic semester

Turkey

Istanbul Technical University

Language of instruction / English

Places:

Chemical Engineering 2 P/D places / academic year

Electrical Engineering 2 P/D places / academic year

Industrial Engineering and Management 2 P/D places / academic year

MEF University

Language of instruction / English

Business Administration / Industrial Engineering and Management:

MSF - and MBAN-students

2 U/P -places / academic semester
